### **IMPORTANT NOTES**

1. These requirements are a minimum standard for the purposes of promotion testing; this is not a comprehensive listing of all the applications of technique with which you must be familiar.
2. Many techniques have omote (front) and ura (rear) variations, which you must demonstrate.
3. Many techniques have applications against both static and dynamic attacks, which you must know.
4. In certain cases a particular variation of a technique is required and is noted above; you are encouraged, however, to demonstrate additional variations.
5. All tests are cumulative; you must be prepared to demonstrate exercises and techniques from all ranks prior to the one for which you are actually testing.
6. All test candidates must complete the following prior to testing:
  - Examination application form must be completed legibly and submitted to your instructor
  - Examination fee must be paid
8. No application for promotion testing will be accepted by the test committee without the knowledge and consent of the candidate's instructor.
